Young Person's Sanctuary

Our Young Person's Sanctuaries are safe, non-judgemental spaces that you can come to if you find yourself in crisis or mental distress in the evenings. You will be met by a trained mental health worker who will listen and help you identify ways to address the problems you are facing.

Who are the Young Person's Sanctuaries for?

- Young people (14-17yrs) who are experiencing severe mental distress or crisis. Young people are welcome to bring anyone from their support system.
- Young people do not need to be known to mental health services to attend.

What can you expect?

- A safe, non-judgemental, and relaxed space
- A confidential one-to-one session with a trained mental health worker

- Support to identify coping mechanisms and building emotional resilience
- A step-by-step tailored guide on how to access support and keep safe

Do you need an appointment?

Each Young Person Sanctuary is now operating a drop-in service and an appointment is not required.
